

You're Invited

Retirement Planning Seminars

The University is pleased to invite you to attend one of our customized and interactive retirement planning seminars.

What's in it for you

Knowledge builds confidence! We all want the reassurance of knowing we are on course to retirement. However, many of us don't spend a lot of time thinking about retirement. Planning for the future is crucial. These seminars have been customized for University employees to provide a clear understanding of what you need to do to prepare for retirement.

Lifelong earnings are an essential component of a successful retirement, but these interactive seminars will go well beyond the numbers, including

a focus on how to plan for and transition to life as a retiree. You'll also learn about **tax and financial strategies, estate planning, government retirement benefits, University pensions** and how to navigate your way toward retirement.

These seminars will be facilitated by independent professionals from Aon Hewitt – you'll have the opportunity to ask questions of the experts.

There's nothing like the peace of mind knowing that your retirement plans are on track. These retirement planning seminars will help make that happen.

Space is limited to 30 participants per seminar to allow for a more personalized, interactive experience.

Lifelong Earnings – On Course to Retirement

How to sign up

[Click here](#) to visit our registration site and sign up for the seminar of your choice. Once you have completed your online registration, you will receive an email confirmation.
